APPLICATION PROCESSING AND VISA FILE COMPLETION

Counselling & Application

Talk to our counselors in confidence, one-on-one and get options based, on your qualifications, work experience, budget, preference of country and area of interest.

They will fill up your application forms, submit them to the institution and keep you informed of developments.

REMEMBER: Do take your exams — IELTS/TOEFL/PTE for English and GMAT/GRE/SAT as advised.

Visa Counselling

A meeting with our visa counselor will unravel the mystery of visa process which will be explained to you in detail. We will assist you in putting together the desired financial and other mandatory documents for a successful visa.

Give us all the required visa documents which we will compile and then create your visa file.

You will only have to go to the Visa Filing Office [for most countries] to submit your application.

We will track your application and collect your passport for you.

Visa File Creation/Filing

You have your visa, but there are some do's and don'ts which you should be aware of while travelling overseas and on arrival at destination. Detailed guidance is given before you travel.
